Correspondents will please send letters so as to reach us not later than 9 o'clock a. m. Give facts in as few words as possible. We want news in this department, and not advertising notices or political arguments.

SARDIS.

Billy Collins was buried at Shannon the other day.

Esquire J. M. Hall has moved into his new house East of town.

Mrs. G. W. Dye has been for some time on the sick list. She is now some better.

There will be Thanksgiving Service here next Thursday. Rev. G. N. Jolly will preach the sermon in the M. E. Church, South.

Have we a flour trust? When wheat sold at from 90 cents to \$1 per bushel we had to pay \$4.50 per barrel for flour. Now wheat is going at from 50 to 60 cents per bushel, yet we have to pay \$4.50 a barrel. There is a wrong somewhere. The price of wheat should govern the cost of flour. I hope the Democrats who, when they get into office, are going to abolish all the monopolies and right all our wrongs, will set this little matter straight.

STEAMBOAT MATTERS.

WHAT IS GOING ON ALONG THE BEAUTIFUL OHIO RIVER.

Driftwood Gathered on Shore and Stream by The Ledger's Weather-Beaten Old Tar and Piled Up Ready For Use.

The Iron Queen has a new whistle this season.

The cold wave discourages the outlook for more water.

The work of getting empty barges up the river to the mines continues.

AMONG THE RAILROADS

THE STEEL HIGHWAYS THAT LEAD TO AND FROM MAYSVILLE.

Items of the Rail That Are Stoked Up and Piled Into The Ledger's Columns by a Thoroughly Competent Engineer.

The Offices of Superintendent Lewis and General Passenger and Freight Agent Brown, which are now in Lexington, will be transferred to Ashland at an early date.

On account of Thanksgiving Day the O. and O. will make a limit of all round trip tickets sold November 23rd and 24th, good returning Monday, November 25th. Tickets sold at regular round trip rates.

Ashland News—The A. C. and I. Railway Company are making preparations to handle the transfer business at this point with the greatest dispatch possible, as they will soon be handling both the M. and W., C. and O. and C. H. and D. business on this side of the river. It will probably require two engines to do the work in order to not delay the transfer steamers.

ALL the returns from the counties comprising this Appellate Court District have been received and filed with the Secretary of State. The actual vote given Hazelrigg, Democratic Judge of the Court of Appeals, is 38,594. Holt's total vote is 37,475, which makes Hazelrigg's plurality 919.

THERE is no disheartenment among the Republicans of Covington on account of the election. On the contrary, they are making arrangements for establishing permanent local headquarters which will be a credit to them and the party, and will emphatically be "in it" in all future contests.

KENTUCKY WEATHER REPORT.

What We May Expect Between This Time and To-Morrow Evening.

THE LEDGER'S WEATHER SIGNALS.

While streamer—FAIR; Blue—RAIN or SNOW; With Black ABOVE—TWILY WARMER FLOW. If Black's beneath—COLDER 'twill be; Unless Black's shown—no change we'll see.

The above forecasts are made for a period of thirty-six hours, ending at 5 o'clock to-morrow evening.

FOOTBALL has taken a strong hold on some Kentucky towns.

The Quickest Way to Cure a Cold.

Do you wish to know the quickest way to cure a cold? We will tell you. To cure a cold quickly, it must be treated before the cold has become settled in the system. The first symptoms of a cold is a dry, loud coughing and sneezing. The cough is soon followed by watery expectoration and the sneezing by a profuse watery discharge from the nose. In severe cases there is a thin white coating on the tongue. What to do? It is only necessary to take Chamberlain's Cough Remedy in double doses every hour. That will greatly lessen the severity of the cold and in many cases will effectually counteract it and cure what would have been a severe cold within one or two days time. Try it and be convinced. Fifty-cent bottle for sale by Power & Reynolds.

The Emerson Piano.

The Emerson Piano Company of Boston, Mass., and 92 Fifth Avenue, New York, have had a long and successful experience in the manufacture of pianos, and have attained an enviable reputation. These pianos are of the very finest tone and of the best material and workmanship, and are sold at moderate prices and on reasonable terms. As a general thing a person buys a piano but once in a lifetime, and it is, therefore, very important that the instrument should combine as many desirable features of a permanent character as possible. Manufacturers of good reputation and of long standing should be the favored ones. The Emerson Piano Company have made and sold upward of sixty thousand pianos; and they warrant every instrument sent from their factory. They will send to any of our readers who may be thinking of purchasing a piano, their illustrated catalogue free of charge; and it will be found to be an interesting publication.
